

Position: Manager – QA/QC
Division: Sugar Projects
Location: Ahmednagar, Maharashtra
Experience: 8 to 10 years of relevant experience
Qualification: B.E in Mechanical Engineering

Shrijee is a globally known supplier of turnkey sugarcane factory and sugar refinery projects. Established in 1976, Shrijee has supplied its equipment to more than 400 sugar factories in India and to leading sugar producers in more than 22 countries. The corporate headquarters are in Mumbai (India) and regional offices are in Delhi, Ahmednagar and Chennai. Shrijee is represented overseas by local partners in many countries. Shrijee has four fully equipped manufacturing facilities located in the western and southern parts of India.

Shrijee also offers transmission towers, telecom towers, substation structures, sugarcane farming equipment, heavy fabrication, wind-powered exhaust fans and engineering spares. We have more than 165 people in our team, including 39 engineers and 13 MBAs. In addition to these, at any given time, we usually have 150-250 people working on our sites in India & overseas.

We are looking for a Manager – QA/QC for our Ahmednagar factories. He will report to the Director.

Responsibilities include:

1. Preparing of QAP for clients
2. Approving and examining QAPs submitted by vendors
3. Vendor assessment & development
4. Documentation & compliance with ISO 9001
5. Welding procedure qualification & welders qualification
6. Developing & encouraging quality culture on shop-floor and with vendors
7. Interfacing with client representatives & third-party inspectors
8. Inward raw material inspection
9. Stage wise & final inspection of fabricated components
10. Stage wise & final inspection of machined components
11. Inspection of materials at vendor's works prior to dispatch
12. In-depth inspection of welding quality
13. Final documentation & certification of components for dispatch

We are looking for:

1. 8 to 10 years of relevant experience
2. B.E in Mechanical Engineering
3. Thorough Knowledge of ASTM/BS/IS codes & specifications followed in heavy engineering fabrication
4. Strong computer skills
5. Strong written and verbal communication skills
6. Thorough knowledge and experience of NDT/DT Processes
7. Team spirit and a good team player

We offer a professional work environment. Salary offered shall be in accordance with competency. Please see our website www.shrijee.com for details about us.
