

Position: Structure Design Engineer
Division: All (Group level position)
Location: Ahmednagar, Maharashtra.
Experience: 3-8 years of relevant experience
Qualification: DME/BE (Structure Design)

Shrijee is a globally known supplier of turnkey sugarcane factory and sugar refinery projects. Established in 1976, Shrijee has supplied its equipment to more than 400 sugar factories in India and to leading sugar producers in more than 30 countries. The corporate headquarters are in Mumbai (India) and regional offices are in Delhi, Ahmednagar and Chennai. Shrijee has three fully equipped manufacturing facilities located in the western and southern parts of India.

We have more than 130 people in our team, including 50 Engineers and 15 MBAs. In addition to these, at any given time, we usually have 100-200 people working on our sites in India & overseas.

We are looking for a “**Structure Design Engineer**” for our Ahmednagar factory. Candidate will report to the Head of the Department.

Responsibilities include:

1. Design of Structure of equipment staging and factory building.
2. Review of Design Parameters given by consultants and customers.
3. Detailing of structural members for manufacturing drawing.
4. Design Suitable for various international standards in different locations across the world.
5. Travel to site to review the structure against the design.
6. Estimation of structure quantity as pre-tender stage.

We are looking for:

1. Knowledge of various standards of design.
2. Knowledge of estimation of structure design.
3. Candidate having experience in sugar industry will be preferred.
4. Good written and verbal communication skills.
5. Strong computer skills (MS Word, MS Excel, MS PPT, Internet).
6. Team spirit, good work ethic and high integrity (we do a thorough background check).

Salary offered will be competitive. We offer a professional work environment. Please see our website for details about us: www.shrijee.com. If interested, please send resume and cover letter to:
